

Release A Card On Hold

Last Modified on 06/14/2023 5:05 pm PDT

Go to **Reports** and then select **Card ID Report**.

Releasing a card from hold means that the card will be sent to the card brands for an update in the next account updater harvest.

To release a card from hold:

1. Select the filter icon, then click **AU Harvestable** and select **No** to view the list of all the cards that are on hold.
 2. Click on the **Release** button in the table next to the card to release it from hold.
