

Edit A Subscription

Last Modified on 07/06/2022 3:28 pm PDT

Go to **Subscriptions**, view the subscriptions table, and select a subscription to edit.

You can edit the subscription start date if the subscription has not yet started. If you need to change an activated subscription, you can [Cancel](#) and then create a new one to address the change.

To edit a subscription:

1. View the **Subscription Details**.
 2. Select the pencil icon next to *Subscription Start Date*.
 3. Enter the new start date.
 4. Click *Save*.
